Discipleship is not for wimps

A weakness - the fast-track method

The accession of members who have not been renewed in heart and reformed in life is a source of weakness to the church.

This fact is often ignored. Some ministers and churches are so desirous of securing an increase of numbers that they do not bear faithful testimony against unchristian habits and practices.

Discipleship is not for wimps

A weakness - the fast-track method

Those who accept the truth are not taught that they cannot safely be worldlings in conduct while they are Christians in name.
