Hey, what a journey, right? This past two years have been absolutely lifechanging. We can't deny the impact of what used to be a novel virus and is now part of our daily lives. Many things have changed yet the passion for our kids and our pledge to service cannot stop! We are grateful for what Jesus has taught about selfless service that keep us going. Through this thought times we have learned lessons that will stay with us forever. We all were challenged yet, we're still here!

Our worldwide church is committed to involve all members in mission and discipleship at the sound of "I WILL GO!" The NJCYOUTH joins the movement as we invite you to do the same. So, let's go! Let's disciple our little ones and their parents! Let's make it happen for Jesus!

My prayer is that this new year may be a blessed, fruitful, and creative one! As we experience new things, that we may be flexible enough to be moved by the Spirit of the Lord being able to reflect the love of Christ.

Don't forget that you're not alone, we're all in this!

LET'S GO!

Many blessings,

Pr. Baffi

PERSONAL VEHICLE USAGE RECOMMENDATIONS

Please provide a copy of this document to every potential driver. Drivers must:

- Be at least 21 years of age
- Have a valid driver's license and current vehicle insurance.
- Verify that the vehicle is in good working order (tires, wiper blades, all lights, etc.).
- Require occupants to wear seatbelts.
- Not engage in "distracted driving" (no cell phone, texting, eating, drinking, reading, navigation system adjustments, or boisterous children disciplined while the vehicle is in motion).
- No overloaded vehicles.

For long trips, ensure that there are sufficient drivers so that no one is required to drive more than 11 hours at a stretch.

If someone other than the owner will be driving the vehicle, obtain information on the owner's insurance (company name, policy number, and policy term) and give this information to the person who will be driving the vehicle. The driver will need this information if an accident occurs. Adventist Risk Management does not recommend the use of non-owned autos on approved events. If non-owned vehicles are used, however, adhere to the following guidelines: Adventist Risk Management's auto insurance policy provides coverage for non-owned vehicles on an excess basis. It is designed to protect the organization, not the vehicle owner. In the event of an accident, the vehicle owner must go to his/her insurance company first.

Make sure drivers understand that their personal auto insurance is "primary" and that his/her insurance is responsible for any damage done by the vehicle or to the vehicle. Agree with the owner or driver on who will be responsible for any comprehensive or collision deductibles that might apply to damage done to the borrowed vehicle.

Every insurance policy contains limits, conditions, and exclusions. Read the policy carefully, because it may not respond to all claims for damage.

GUIDELINES FOR VOLUNTEERS & CAREGIVERS

Directors: Please keep this form for your records

Because our society is filled with pain, problems, and litigation caused by improper conduct of adults working with children and youth, it is imperative that those working with children at church have meaningful guidelines for conduct – to protect both themselves and those under their care. As a ministry volunteer, you want parents and others to feel comfortable and confident with you. Here are some practical guidelines:

1. ***Never leave alone a child – or group of children – for whom you are responsible.*** Provide adequate supervision at all times, no matter what.
2. ***NEVER be the only adult*** serving as a caregiver – ALWAYS have at least one other person 18 or older with you.
3. ***Always ask a person's permission before touching*** him/her anywhere, even when responding to an injury or problem. This is especially true for any area that would normally be covered by a T-shirt and shorts. If an injury is within this area, make sure another adult works with you as you provide care.
4. ***Physical and verbal attack are inappropriate*** and should not ever be used as discipline. "Time out" or "sit-in-that-chair" may be helpful methods with children.
5. ***Kids need to be touched appropriately.*** However, keep hugs brief and "shoulder-to-shoulder" or side-to-side." Always keep your hands at (not below) the shoulder level. A caregiver kiss is to the forehead or cheek only – not elsewhere. For small children who like to sit on laps, encourage them to sit next to you.
6. ***When taking small children to the bathroom*** – take another adult along or leave the door open.

Be aware of the signs and symptoms of abuse; be aware of the legal requirements in your locality for reporting child abuse. In nearly all places, a caregiver can be held legally responsible for failing to report suspected or actual child abuse.

Be loving, kind, firm, and always thoroughly professional as a caregiver. Working with children and youth at church is not only a privilege; it is also a deep responsibility that must be approached with utmost care.

Adventist Risk Management and the North American Division Secretariat mandate the following rules for leaders. These serve as a protection to you and your ministry against charges of abuse:

- ***The volunteer screening rule.*** All volunteers must complete the screening process described on the Volunteer Ministry Information Form. (<https://adventistyouthministries.org/files/safety-guidelines/NAD-Guidelines-and-Procedures-For-Well-Trained-Staff.pdf>)
- ***The six-month rule.*** Do not recruit a volunteer who has been a church member for less than six months.
- ***The two-person rule.*** Have at least two adults present always.

- ***The glass window rule.*** If the door to a classroom does not have glass in or around it, the door should be left open, so that the teacher is in full view.

I, the undersigned caregiver, have read the guidelines listed above and agree to abide by them. I will obtain a copy of this signed form and keep it for reference

I WILL GO - PROJECTS 2022

The mission of the I WILL GO – Projects is for each club to get connected with their local community, for the community to know you, and for you to be able to witness to them. The idea is to get the community to join the cause you will choose. Each club must select one of the projects (not 1 per category, just one of the 12) to execute in their community. **The goal is that each club will experience a yearlong project, one per category per year throughout a span of 4 years.**

Every year the clubs that participate will be awarded one of the special category prizes: **Environment**, **Humanitarian**, **Kindness**, or **Community**.

ADVENTURER BIBLE GAME 2022

MATTHEW 1 - 28

The Adventurer Bible Game is the Official North American Division Adventurer Bible learning program. The program is created to challenge older adventurers to use their reading skills and their amazing ability to memorize the Bible.

It is intended to be a family-based activity with parents and Adventurers studying and playing together. Each year new passages of scripture are assigned (alternating Old Testament and New Testament) and excited Adventurers and their parents/caregivers commit themselves to study those passages of God's Word.

The Adventurers are tested over the assigned passages. Because this Bible activity has a different focus than Pathfinder Bible Experience, a 6-year rotation of Bible content has been created that will help introduce Adventurers to the major stories and themes of the Bible.

Location

It will be hosted during the Adventuree (July 13-15, 2022).

Adventurer Bible Game Instructions

With this document, your club and conference will be able to understand how the Adventurer Bible Game works and what are the expected practices and outcomes. Contact the NJCYouth Office or the State Adventurer Coordinator for more details regarding ABG..

"I tell you the truth, when you did it to one

you were doing it to me!"
