

# Day 9

*Lead us not into temptation,  
but deliver us from evil*

**Let's do this!**

- What are you tempted to do. Choose a "resisting temptation" Bible verse to help you be strong with God.
- Write your "resisting temptation" Bible verse on a small card and decorate it. Keep it as a special prayer reminder.

**Let's Pray**

- Draw around the hand of an adult.
- Write your temptations on the hand. Imagine it is the hand of God. You can put all your temptations into His hands and ask Him to help you resist them.
- Remember you can pray at any time. Imagine you are holding God's hand and He's lovingly helping you to make a good choice.
